Vasyl D. Karpusha
Ph. D, Associate Professor
Rector
Sumy State University
Ukraine

Dear Vasyl D. Karpusha,

A unique partnership between CIMA and Sumy State University

Congratulations! As one of our preferred partners in Ukraine, we are pleased to inform you that students of **Sumy State University** and graduates from the **bachelor degree speciality «Accounting and audit», master degree «Accounting and taxation»** will be allowed a quicker route to the CIMA Professional Qualification and the global professional designation of Chartered Global Management Accountant (CGMA).

The benefits of having an accelerated route for your students and graduates to the CIMA professional qualification are vast, including being benchmarked as one of the respected institution in Ukraine offering a well-developed accounting degree. Further, the institution can use the accelerated route as an encouragement for more students to join the accounting major especially those who are keen to embark on a journey towards a management accounting career. At the same time, the partnership with CIMA might enhance the development of the management accounting specialization in the faculty.

For details of the recommended exemptions from CIMA, please refer to Appendix 1 of this letter. The proposed entry route does not require any form of submission to us at this point in time and there is no expiry date until the programme cease to be offered in later years. As such, unless you have an objection you wish to raise, we will have the decision displayed on our [exemption website](#).

My team and I will be happy to have a conversation with you, your team and your students on this accelerated route to CIMA as well as the presentation of this accelerated route on your website.

Thank you and we look forward to strengthening our partnership with Sumy State University.

Yours sincerely,

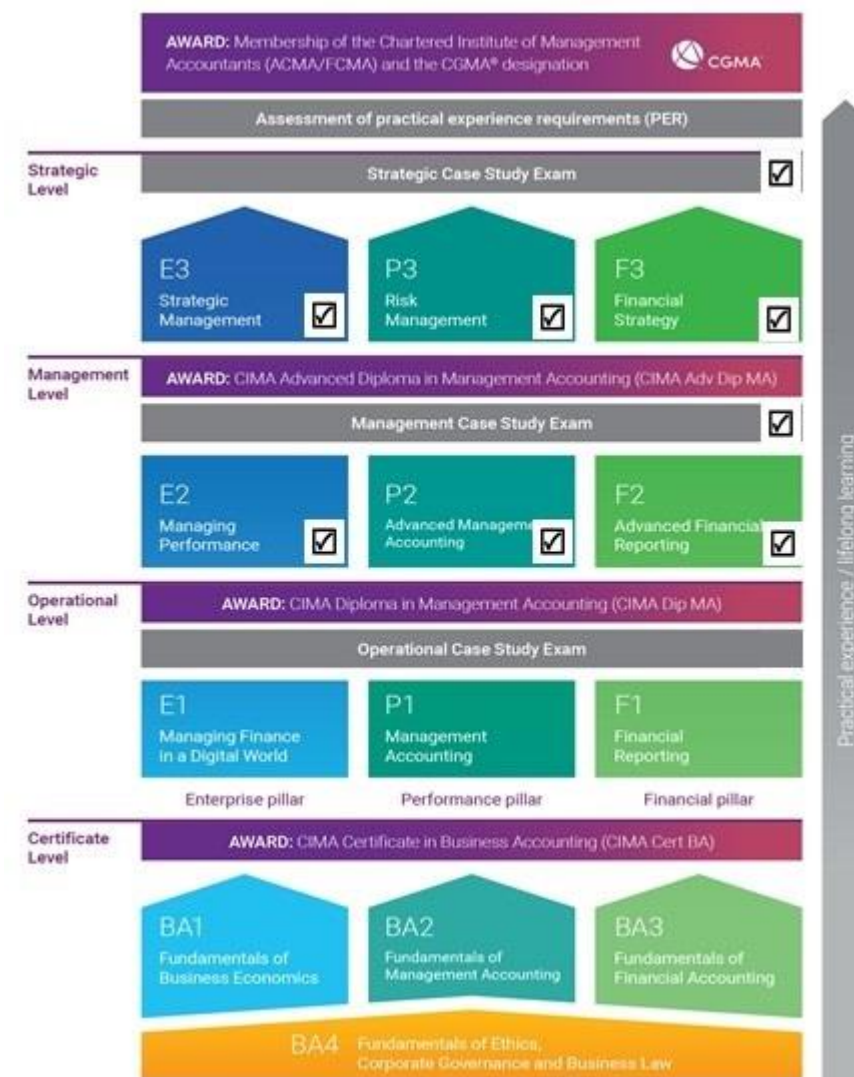

Jakub Bejnarowicz

Regional Director - Europe

Nataliia Vovchuk

Country Representative - Ukraine

Appendix 1
Sumy State University
